We remain your trusted golf travel partner

Bringing golfers together for the best time of their life is what drives the team at Go Golfing. We put the fun, adventure and magic in every itinerary. And this is only the start of what we do.

WE'RE COMMITTED TO YOUR WELL-BEING

The well-being of our guests and team has always been, and always will be our primary concern. New procedures have been implemented for additional health and safety measures for everyone when you travel during these new times.

Expertly trained hosts

Go Golfing tour hosts are there to make sure you have a fun, safe and memorable experience. They are not only your day to day guide, interpreter and manager of events but also are there to create a unique and unforgettable experience for you. If you are a first time traveller, you'll be made to feel most welcome. It feels nice.

They are equipped to ensure enhanced hygiene and social distancing protocols are applied. They operate with a duty of care mandate, communicating and monitoring the hygiene etiquette of guests and ensuring venue compliance.

Trusted partners

We are very selective who we work with. We only partner with hotels, golf courses, transport providers and restaurants that take the well-being of our guests as seriously as we do and agree to meet "best practice" guidelines, that comply with government requirements.

The golf

Both low and high handicappers are welcome. There is an individual golf competition and a team event. Our unique scoring format, which sees big swings in player handicaps on tour, keeps everyone interested, excited and on their toes.

After each round, we get together and present prizes to our daily winners and on our last evening we toast our champions over a presentation dinner. Teams bond with trinkets, paraphernalia and even team songs- there's good humoured banter, hi-jinx, and always good fun.

I'm travelling by myself

Our tours attract a great mix of solo travellers, couples and friends. Your tour host will give you a warm reception and introduce you around. It won't take long before you feel surrounded by friends.

You'll meet other like-minded singles - many of our clients have made life-long friends and have gone on to travel the world with each other.
