Its lush, rolling fairways, beach bunkers, and water hazards combine for a thrilling round. Its hard to choose a signature, but many love the par 4 14th, a fantastic risk and reward hole with a heavily guarded green. From the first tee, you'll understand its status as #1 in Egypt is well deserved.

Non-golfers embark on a full day of on-ground exploration of the lesser-known **Old Coptic Historical Churches** and the pyramids of the **Dahshur Necropolis**, a **UNESCO World Heritage Site** and the home of the oldest pyramids, largely considered to be the prototypes for the designs we know today!
