# WHEN TOURING WITH GO GOLFING, IT'S ALL ABOUT YOU

Bringing golfers together for the best time of their life is our mission at Go Golfing. And at the core of this mission is YOU. Your safety, comfort and joy will always come first in everything we do.

We start spoiling you from the time you get in touch. We help you with flights, insurance, visas and a packing checklist which brings comfort that you've got everything you need. The excitement starts from the time you say YES and regular tour updates build the anticipation of what's coming on tour.

Discover the magic in the itinerary. We guarantee you'll play the best private and resort courses. You'll stay in central hotels so you can explore freely. We've done the hard yards to bring you hand-picked and curated experiences, sightseeing and cultural immersion that we know you'll love.

Go Golfing's 27 years of experience travels with you. Our hosts undertake accreditation and destination training to ensure the tour is delivered to the highest standards. They'll make you feel welcome, introduce you around, organise the golfing competition and take care of your luggage and clubs. And when it comes to fun, they'll be the ringleaders. Local guides passionately share stories that connect you with their countries history, rich culture and way of life.

On tour strangers quickly become friends. In fact, we make sure you get to know a little about everyone on tour before you even leave home. 52% of travellers are female and 66 is the avg age. 72% are couples and 28% are singles. We even have a solo travellers club for singles looking to room share. There's been 17 marriages from couples who met on tour and countless friendships.

You'll be joining a wonderful community of golf-travellers, adventure-seekers and fun-lovers. 88% of clients have toured with us more than once, and incredibly, 57 travellers have now racked up more than 25 Go Golfing tours.

Go Golfing tours more countries than any other golf travel company in the world. We go above and beyond so you come home asking "Where to next?"
