(B, L, D, Drinks) Hotel: NCL Viva

## DAY 9: Seville (Cadiz), Spain

**Golfers**, get ready for your second last round:

### **JACK NICKLAUS DESIGNED:** Montecastillo Golf Club

*Montecastillo is one of the most popular golf resorts in the world and it hosted the Volvo Masters Andalucia for five consecutive years beginning in 1997 when Lee Westwood won the event. Located in the heart of the country's main sherry and brandy producing region, Montecastillo was created by Jack Nicklaus in 1992 and it's a long, demanding course, routed thoughtfully across rolling Andalusian terrain. In typical Nicklaus style, everything is laid out quite clearly in front of you so it is playable by golfers of all abilities, provided they use the correct tee at every hole, of course! Montecastillo is a splendid layout with some very testing holes and many visitors use buggies to cope with the often long, uphill or downhill walks from green to tees, particularly on the back nine. The outward half is fairly open with water really only affecting the approach to the par four 7th green and the tee shot on the par three 8th hole. The inward half is a little tighter with the 13th hole having a great view of the Jerez Grand Prix circuit from the tee and the closing, par four, 18th elevated tee providing marvelous views of the hotel and castle. \*Carts included.*

**Non-golfers** get the opportunity to experience the **Old Town of Cadiz and a Flamenco Show**.

Stroll through the atmospheric streets of the Old Quarter on the way to a nightclub, where you will watch a mesmerising flamenco performance that tells a passionate story. As you meander the labyrinthine streets of the **Old Quarter**, you will pass one architectural treasure after another. Highlights may include the **Neoclassical-style Cadiz Cathedral**, which boasts a tile dome that appears **Moorish**, and **Calle Ancha**, a wide boulevard that is considered the heart of the city. In time, you will arrive at **Taberna Flamenco La Cava**, a nightclub that showcases the art of flamenco. Before taking your seat, be sure to notice the photos on the wall of some of the most acclaimed flamenco performers in the past 50 years. **UNESCO** honoured flamenco by recognising it on its list of Intangible **Cultural Heritage of Humanity**.

(B, D, Drinks) Hotel: NCL Viva

**DAY 10:**  
**Gibraltar, United Kingdom**

**Golfers** - get ready for your last course:

**#1 IN SPAIN:** Real Club Valderrama Golf Club

*Valderrama has been consistently ranked as number 1 in Continental Europe since the late 80's and has been included in the Top 100 in the World since 1990. The Par 71 Championship Course measures 6418 meters from the professional tees. The fairways have been described by top pros and leading golf writers as the best in Europe, if not the world. It is not an easy course – nor was it intended to be. It is designed so as to call forth thought and precision for every shot. The course was designed in 1974 by Robert Trent Jones, Sr, one of the great golf course architects, and was originally known as Las Aves (Sotogrande New). In 1984, Mr. Jaime Ortiz-Patiño acquired the golf course and committed to bringing the course to an extraordinary level, never seen before in Europe. Robert Trent Jones willingly agreed to come back and redesign his original layout of ten years earlier. Valderrama has since risen in the Golf World rankings to become the No.1 golf course in mainland Europe, a position proudly held since 1989.*

*\*Carts included.*

**Non-golfers** will have the freedom to explore the luxurious amenities onboard at your leisure.

As the evening unfolds, we come together for a memorable presentation dinner at one of the Speciality Restaurants. Raise your glass to the cherished moments and triumphant memories of our journey, sharing laughter as we recount our experiences and exchange contact details.

**(B, D, Drinks) Hotel: NCL Viva**

### ARTHUR HILLS DESIGNED - #4 IN PORTUGAL: Oitavos Dunes Golf Club

*Oitavos Dunes rolls out an Arthur Hills design that peers down at the Atlantic Ocean at every turn. In 2001, the focal point of Quinta da Marinha was the Championship golf course Oitavos Golfe. As the golf course became recognised internationally as a links experience, the decision was made to change the name to Oitavos Dunes to reflect the natural sand dunes, the impact of the Ocean and Scottish like playing conditions, which all contribute to the way many view Oitavos Dunes as a Natural Links Golf experience. \*Shared Carts Included*
