OPTIONAL EXCURSION 1 - MILFORD SOUND DAY TOUR

One of the most popular ways to visit **Milford Sound** is on a sightseeing day tour from **Queenstown** or **Te Anau**. Milford Sound day tours take the hassle and stress out of getting there and back, allowing you to relax and enjoy the scenery along the way.

While you can spend more than one day in **Milford Sound**, a one-day itinerary is enough to see all the beautiful views along the way, take a scenic cruise around the fiord, and get back to Queenstown or Te Anau in time for dinner. There is a wide range of **Milford Sound** day tours on offer through many local companies. Most include a cruise on the fiord and some kind of commentary during the journey to **Milford Sound**.

Most Milford Sound tours give you the option to start in either **Queenstown** or Te Anau, and travel by bus or coach into **Fiordland National Park**, with stops at some of the scenic highlights along the way. These day tours usually arrive in **Milford Sound** around lunchtime, just in time to board a cruise on the fiord (included in the price of your tour) and explore it from the water.

At the end of your cruise you can choose to return via coach (coach-cruise-fly), or take a scenic flight back (fly-cruise-fly).

Seeing **Milford Sound** and **Fiordland National Park** from the air is an exhilarating experience. Soar through the air in a small plane and see all the amazing landscapes you travelled through in the morning – from high above.

Coach-cruise-fly tours are a great way to maximise your holiday time. If you're returning to **Queenstown** by coach, the return journey travels along the same road. This can be pleasant as it gives you another chance to enjoy the stunning **Milford Road scenery**... until it gets dark. Then there's nothing to see! You'll generally arrive in **Queenstown** in the evening. A scenic flight, on the other hand, takes just a couple of hours. This allows you to arrive back much earlier, refreshed and ready to enjoy your evening. You'll be ready to enjoy **Queenstown's** excellent dining options or its nightlife!

OPTIONAL EXCURSION 2 - HELI GOLF EXPERIENCE

Helicopter golf in **Queenstown**, is possibly the most outrageous golf experience you can imagine. Situated on top of **Cecil Peak** and only accessible by Helicopters this is truly an amazing thing to do whilst in **Queenstown**.

Nestled 4,500 feet up in the breathtaking **southern Alps** of New Zealand is an unforgettable par 3 golf experience overlooking **Queenstown**. Accessible only by helicopter, the hole features four different tee boxes located at varying distances and heights from the green.

The **Over the Top Golf** experience is operated by the Over The Top helicopter company in association with the Golf Warehouse. 100% biodegradable, eco golf balls made from wood are recommended. These balls will float in water and can be reused, or will naturally degrade in 3-6 months.

Specific site plans and resource consents took over a year to complete with helicopters ferrying earth moving equipment, men, sand and turf across **Lake Wakatipu**. Ecologists and conservation people were also flown to ensure that the pristine environment remained intact.

EXTEND YOUR ADVENTURE YOUR WAY - GO GOLFING PLAY AND STAY

GO GOLFING SUGGESTED PLAY & STAY OPTIONS:

Start off in the city that combines architectural charm with art, **New Zealand's South Island** city is known as much for its innovation as its beauty - the beautiful **Christchurch**. From there you will do a self drive to **Lake Tekapo/Takapō**, nestled in the breathtaking **Mackenzie Basin**. **Lake Tekapo** is known for its beautiful watercolour as well as its proximity and access to the **Southern Alps**. The town is close to **Mount Cook National Park** and home to many great attractions including one of **New Zealand's only Dark Sky Reserves**. You can head over to **Queenstown** to join the **Go Golfing Tour**.

After the tour, head to Milford Sounds, Dunedin and the Fiordland National Park. Spanning mountain ranges, dense forests and alpine lakes, it is hard to imagine a place better suited to nature lovers and explorers than **Fiordland National Park**. But stay a little longer and discover much deeper within this ancient and extraordinary environment.

If you want to extend your tour, we can arrange everything for you or your group. Simply let us know when you book if you want to explore these options and we will gladly assist.

The logo features the text "GoGolfing" in a bold, dark blue sans-serif font. A green silhouette of a golfer in mid-swing is positioned between the "Go" and "Golfing", with a green swoosh line arching over the "G" in "Golfing".
