Trusted partners

We are very selective who we work with. We only partner with hotels, golf courses, transport providers and restaurants that take the well-being of our guests as seriously as we do and agree to meet "best practice" guidelines, that comply with government requirements.

The golf

Both low and high handicappers are welcome. There is an individual golf competition and a team event. Our unique scoring format, which sees big swings in player handicaps on tour, keeps everyone interested, excited and on their toes.

After each round, we get together and present prizes to our daily winners and on our last evening we toast our champions over a presentation dinner. Teams bond with trinkets, paraphernalia and even team songs- there's good humoured banter, hi-jinx, and always good fun.

I'm travelling by myself

Our tours attract a great mix of solo travellers, couples and friends. Your tour host will give you a warm reception and introduce you around. It won't take long before you feel surrounded by friends.

You'll meet other like-minded singles - many of our clients have made life-long friends and have gone on to travel the world with each other.
